SUPPLEMENTARY INFORMATION:

I. Abstract

To export computers that perform above a certain level an export license is needed for certain locations. In support of this application, documentation must be provided on the computer system. When BXA receives this information it is thoroughly reviewed by a licensing officer who, depending on the limits of parameters of the system, may submit the application for review by other government agencies. If the application is approved, the respondent is issued a validated export license that authorizes shipment of the computer system. If additional information is required, the respondent will be notified. Applications may be rejected if it is determined that the export or reexport of the system poses a threat to the U.S. national security.

II. Method of Collection

Submitted, as required, with form BXA-748P.

III. Data

OMB Number: 0694-0013.
